FROM STAFF REPORTS

Ben Schreier recently accepted a commission to design a 10,000-square-foot, oceanfront spec home in Delray Beach for luxury builder

Mark Timothy Inc.

Schreier is a partner in Affiniti Architects headquartered in Boca Raton.

The Georgian design is part of a trend Schreier said he sees toward northern-style architecture in South Florida. "The home will be elegant and understated, with Georgian moldings, bandings and proportions, but with an exterior of Florida stucco instead of traditional brick," he said. "These more northern-style designs are becoming alternatives to Mediterranean and island-style architecture."

Mark Timothy, Inc. has been building homes priced between \$15 million and \$40 million for 18 years.

Affiniti Architects is located at 6100 Broken Sound Parkway NW in Boca Raton.
