

## SPECIAL ADVERTISING FEATURE

# Centra's grand opening on May 15 brings fun back to buying a home

Stiles Corporation and Label & Company Developments, Inc., two of South Florida's leading builders, have formed an alliance to create Centra in Boca Raton, south of Yamato and east of Military Trail, with starting prices in the \$230,000s.

By listening to the new value-based attitudes of today's homebuyers, Stiles and Label have developed a refreshing approach, which offers a remarkable collection of highly desirable and spacious floor plans while incorporating upgraded designer features as standard and ensuring that the homes are environmentally enhanced.

Centra's team rethought what people wanted in their new homes. The townhome portfolio offers five two-car garage models ranging from 1,244 to 2,128 square feet under air, with two-, three-, or four-bedrooms available, including double master suites.

By maximizing the fun and flexibility of each town home's layout, families will enjoy the newly styled sprawling spaces that compliment today's lifestyle.

"We are bringing fun back into the home-buying experience," says Gary Clement, Centra's community builder, "and the anticipation of curious purchasers is building as we are about to unveil all that our new townhome community has to offer during our grand opening event on May 15th and 16th."

Centra incorporates top-of-the-line amenities, including 18-inch ceramic tile on the first floor, deluxe cabinetry with special built-ins, granite countertops in the kitchen and master bathroom, and Energy Star® stainless steel appliances.

Impact-resistant windows and eight-foot tall sliding glass doors, surrounded by professionally engineered concrete-block

construction, protect the light-filled interior spaces.

The Centra sales office, located at 5051 N.W. Broken Sound Boulevard in Boca Raton, is open daily from 10 a.m. to 6 p.m.

From I-95, go west on Yamato Road to N.W. Broken Sound Boulevard. Turn left (south), and the

Centra entrance will be the first right.

Stiles Corporation has been an industry leader since 1951 and is responsible for more than 37 million square feet of office, industrial, retail and mixed-use residential projects. Label & Company Developments is led by the former president of a

major Florida builder that was responsible for 20,000 homes in the last 25 years and, more importantly, was recognized by JD Power in 2008 as No. 1 in customer satisfaction in Palm Beach County and No. 3 nationwide.
